

MANCHESTER AREA CROSS COUNTRY LEAGUE

DIRECTIONS FOR MATCH FIVE AT WOODBANK PARK, STOCKPORT

From the M56 Junction 3 take the turning for M60 signposted Stockport

Keep on M60 into Stockport

Take turn off Junction 27 signposted OFFERTON / MARPLE

This is the Portwood Roundabout - keep in the middle lane

Go through lights and under the motorway

Take 3rd turning on to A626 St Mary's Way signposted MARPLE

Go through first set of lights

Keep to the inside lane up the hill

At the next set of lights turn left - still on the A626 - into Hall St signposted MARPLE

At the next set of lights turn left onto Turncroft Lane

You will see the sign on your right for the Offerton Community Centre – Post Code SK1 4BN – turn right into the Centre just before the zebra crossing. Carry straight on to the Park's car park – you'll have to negotiate what looks like a very tight gap between posts – there's plenty of room really, it just looks tight! *(Coaches will have to park on Turncroft Lane.)*

Park up and exit the car park on foot at the far end, turning left in to Park Lane. It's then a short walk through the Park to the Track where you'll find the Club House. Toilets are to the rear of the Club House.

For Sat Nav users the post code for the Community Centre is SK1 4BN but drivers of larger vehicles (coaches/minibuses) should follow the above directions and not attempt to access Turncroft Lane from New Zealand Road where some Sat Nav's want to send you!

[From east Manchester on the M60 take Exit 26 and then the second exit at the Portwood Roundabout]

Please note there is no parking at the Track
