MANCHESTER AREA CROSS COUNTRY LEAGUE
2019/2020 TEAM POINTS & POSITIONS – MATCH FIVE
HEATON PARK, MANCHESTER - 8 FEBRUARY 2020

SCORING IN THE EVENT OF A TIE

Where two teams score the same number of points:

the team whose last counter finished closest to the winner takes the higher number of points.

Taking the best 4* races:

if one team finishes higher 3 times, that team will win;
if both teams finish higher twice, the positions of the last counting runners in each of the 4 races will determine the winning team.

*(*U11's is best 3 races.)*

For vet teams the positions gained in the vet race will be used.

Senior & Vet Teams:

The number of achievable points is determined by the number of competing teams. For example, if there were 12 Vet Mens B Teams in Match One, 12 is the number of points awarded to the first team. If more teams finish in subsequent matches, the number of points are changed accordingly and the previous match points are updated. If fewer teams compete, the points do not change.

INDIVIDUALS – FINAL POINTS

In the event that two runners finish on the same number of points:

if one runner finishes higher 3 times, that runner wins;
if both runners finish higher twice, the winner will be determined by their positions in relation to the winner of each race.

For vets the positions gained in the vet race are used.
