## PRE-MATCH TWO UPDATE

**ENTRIES FOR MATCH 2 CLOSED ON 8 NOVEMBER.** The entry list posted on the website prior to Match One, will be updated later this week. Individuals spotting any errors or having any queries should contact their team manager- **not** the League.

**MATCH TWO – SATURDAY 13 NOVEMBER – SHERDLEY PARK - COURSE MAP & VENUE NOTES** have been posted on the website ([www.maccl.co.uk](http://www.maccl.co.uk)). For other details including timetable, categories etc. look at the Season's Details on the website. **If the weather deteriorates before Match 2, the course and best places to park may change so bear that in mind and check the website for updates.**

**Club Contacts/Team Managers should have collected race numbers at Match One.** Match Two – Race numbers for 'late entries' and U11s can be collected by team managers from the registration tent.

**Chip Numbers are for all five matches so be sure to bring them to each match.** There will be one consecutive run of numbers – there is no colour banding as in previous seasons. **Remember you will need four safety pins!** Runners will be charged £3 for a re-issued number. **Please come to the registration tent with £3 in cash if you have lost/mislaid your number.** It is the responsibility of Clubs to ensure their runners have the correct number for each match.

**SENIOR & VET WOMENS TEAMS** - all women (U20/Seniors/Veterans) run together at **1:30pm.** **SENIOR & VET MENS TEAMS** - all men (U20/Seniors/Veterans) run together at **2:30pm.** Seniors and Veterans can check which division their club will be competing in – see Team Structure on the website.

## MATCH TWO – SATURDAY 13 NOVEMBER 2021

**ENTRIES WILL NOT BE ACCEPTED ON MATCH DAY – PLEASE DO NOT ASK!**

1. All runners must wear club vests or T-Shirts
2. Please take the time to read the Covid-19 statement from St Helens Borough Council which has been posted on our website: [Important Information ahead of Saturday | MACCL](#)
3. Runners who knowingly use another runner's number will be liable to disqualification.
4. It is important that non –finishers be reported. Please report to the referee if you DNF.
5. **Please ensure that you are given the correct race number.** Your team manager will have a list of names with the corresponding chip number
6. Please do not go near the finish line wearing/holding your chip number as this triggered the chip on a couple of occasions during M1.
7. Lost Property – we have several items of lost property (shorts, a top and some tracksuit bottoms). Please contact me if any of you have reported lost items ([valerie.brennan.53@btinternet.com](mailto:valerie.brennan.53@btinternet.com))

**MATCH TWO RESULTS** will be available on [www.race-results.co.uk](http://www.race-results.co.uk). If you have any queries or corrections please contact Val Brennan (**not** [race.results](mailto:race.results)) as soon as possible to ensure the results are

correct before going into Match 3. **NB** it is the **best four from five** results that count for both individuals & teams with the exception of the U11s for whom it is the **best three from four**.

**MARSHALS** – non-host clubs have been asked to provide one person to help with marshal duties at one match during the season. Anyone able to help should contact their Club or contact Val and we will forward your details. If you have volunteered to marshal at Match 2, please report to the registration tent **no later than 11:15 am and ask for Ruth Bardsley**. You'll be on duty from 12 noon to 3:45 pm (approx.) so you'll need clothing to suit the weather conditions and you'll also need to bring whatever refreshments you feel you need to keep yourself going.

**COURSE SET UP & DISMANTLING** – A few clubs have volunteered to help a host club set the course and dismantle it. This involves helping the host club's course director to carry and put in flags. There may also be posts and tape to set up. The last race starts at 2:30 so dismantlers are looking at a 3:45'ish finish. Volunteers need not be the same people all day - the duties can be split if there are sufficient helpers. Helpers should come prepared for all weathers and bring their own refreshments. The aim is to relieve the host club of some of the burden of hosting. We will be in touch with those who have already volunteered but please do not hesitate to put yourself forward – we will take all the help we can get.

**ALL COMPETITORS PLEASE NOTE THE FOLLOWING** allow plenty of time to get to the Match and allow time to check out the course; wear your allocated number as issued **on your chest (not your waist)**, using four pins to secure it - **do not fold it or cut it down**. Treat your fellow competitors and the officials with respect; keep to the set course. At the finish, you will be recorded as you cross the chip-timing mat at the finish line. **Please stay in order** until you have crossed the timing mat and are out of the funnel.
