SCORING IN THE EVENT OF A TIE

Taking the best 4* races (U11's best 3 races), if one team finished higher 3 times, that team won. If both teams finished higher twice, the positions of the last counting runners in each of the 4 races will determine the winning team.

For vet teams the positions gained in the vet race were used.

Senior & Vet Teams:

The number of achievable points is determined by the number of competing teams. For example, if there were 12 Vet Mens B Teams in Match One, 12 is the number of points awarded to the first team. If more teams finish in subsequent matches, the number of points are changed accordingly and the previous match points are updated. If fewer teams compete, the points do not change.
