

Manchester Area Cross Country League 21/22

To all that support our League...

Athletes, Parents, Supporters, Team Managers, Officials, and many more...Welcome Back!

The new season will soon be with us and we look forward to welcoming you all back to another season of competitive and enjoyable cross country racing! What a difficult time it's been for all.

You will see that Sherdley Park is back as a venue!

Other changes include the introduction of chip timing. Please do make sure that all of your athletes are entered. Details have been circulated.

As the organising team, we have lost Brenda & Arnold who have stepped down after many years of service. Their contributions have been immense. This does mean that we have a new member...Val Brennan who is our new secretary.

We are grateful to our sponsors...Lead sponsor Run North West...Athlete Matters and of course Colgate Palmolive!

We try to stage a season (five matches) of competitive running and across all ages. The talented juniors...always encourage them...stars in the making.

Our Seniors, and of course the many veterans that race in the League.

Thank you to all of our host clubs and all of the volunteers that help to make match days the success that always are.

One request please...as we move forwards with a new "Organising Group", please bear with us if the occasional thing is not quite right...Tell us, and we will always do our best!

Wishing you all every success this season...Run with a smile...Run like the wind.

See you on Saturday 16th October...No entries on the day!

With best wishes,

Nick, Val, Stephen, Pete & Ruth.

MACCL

September 2021.
